

INVITATION-ONLY INTERVIEW EVENT

HILL AIR FORCE BASE ENGINEER AND SCIENTIST INTERVIEW SESSION

THURSDAY, 5 MARCH

Hill Aerospace Museum (I-15 Exit 338)

HUNDREDS OF ENGINEER AND SCIENTIST JOBS AVAILABLE

at Hill Air Force Base, Utah and other Air Force locations worldwide

- ★ You must have an emailed invitation from Cassie casaundra.unguren@us.af.mil or Sarah sarah.nelson.10@us.af.mil to attend!

WHY IS THIS INTERVIEW SESSION NOT FOR EVERYONE?

- ◆ We can accept resumes directly only for certain jobs such as engineers and computer scientists.
- ◆ Most occupations such as engineering technicians, quality control specialists, mechanics, etc., require you to apply through USAJOBS and we cannot accept resumes for those jobs.
- ◆ You must be qualified for professional engineering or science positions to participate.
 - ◆ *BS Degree in Engineering Technology is no longer allowed by the Air Force, regardless of experience as a professional engineer after graduation.*
 - ◆ *You need to have completed your qualifying engineer or scientist degree by December 2015 and be available for full-time employment by January 2016.*
 - ◆ *We are not recruiting for internships at this event.*

WHAT TO EXPECT:

- ◆ An emailed invitation with instructions on the time to arrive, what to bring with you, etc.
- ◆ Registration at the door to verify that you are on the invitation list.
- ◆ Explanation of how the “Speed-Interviewing” session will work at the Museum.
 - ◆ *Each discussion is limited to 10 minutes so you can talk to as many interviewers as possible.*
- ◆ Opportunity to meet 25-30 teams at Hill AFB and other participating bases that have vacancies.
 - ◆ *Supervisors will contact you for follow-on interviews if they are interested.*

HOW TO GET INVITED:

Email the following documents ASAP to AFSC.ENRW.EngineeringHiring@us.af.mil

- ◆ Resume with your cell phone number and email address.
- ◆ Unofficial transcripts showing degree(s) conferred or latest semester completed.
- ◆ If you have already sent in your resume and transcripts and were advised that you are eligible for engineer or scientist positions you should automatically receive an invitation.
 - ◆ Contact Cassie or Sarah if you believe you should have been invited but did not get an email.
