

## WATER FILL STATION – APPLICATION FOR SERVICE

### APPLICANT INFORMATION

Company Name: \_\_\_\_\_

Company Mailing Address: \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ Zip Code: \_\_\_\_\_ Phone (main): \_\_\_\_\_

#### Point of Contact

Name: \_\_\_\_\_ Title: \_\_\_\_\_

Phone # (office): \_\_\_\_\_ (cell): \_\_\_\_\_

Email: \_\_\_\_\_

#### Account Options *Select one of the following options:*

- I choose to set up individual Vehicle ID #'s and individual Operator PINS.
- I choose to set up a single Vehicle ID # and a single Operator PIN for the entire company to share.  
(This removes the ability to track water usage by individual vehicles or Operators at the site. It also limits vehicle filling to one vehicle at a time.)

*For Office Use only:*

<i>Assigned Company ID:</i>	<i>Date:</i>
<i>Setup Payment Rec'd:</i>	<i>Y / N      Date:      Online Pymt / Check</i>
<i>Online Payment Acct/ID:</i>	

## TERMS AND CONDITIONS

1. The approved Applicant shall be issued a Vehicle ID number and Operator PIN for each vehicle and Operator named in the application. These numbers allow the Applicant to access water at Layton City's Water Fill Station. Layton City is NOT responsible for lost or stolen ID or PIN numbers and the use thereof.
2. The Applicant shall avoid spillage, leakage, run-off, or ponding while using the Fill Station. The Applicant shall also promptly report any problems, damage, leakage, or misuse to Layton City prior to leaving site.
3. The Applicant is responsible for any damage caused by their Operators or vehicles to the Fill Station and surrounding property. The Applicant shall use care when approaching the Fill Station, backing in, parking, operating, or exiting the Fill Station. The station can fill up to two vehicles simultaneously, and drivers are encouraged to park to accommodate a second vehicle when possible. The Fill Station is monitored by video surveillance.
4. The Applicant shall ensure that vehicles accepting water from the Fill Station are configured to prevent spillage or leakage while stationary or in transit. Vehicles must have proper backflow prevention.
5. Layton City is NOT responsible for any of the water that the Applicant may take beyond the Fill Station boundaries.
6. The Applicant is aware that this is a pre-paid account, and water will only be dispensed up to the amount paid for in advance. Once the funds have been spent, the Applicant will need to make payments in advance of obtaining additional water at the Fill Station.
7. The Applicant shall comply with state, federal, and local government regulations.
8. Layton City reserves the right to terminate water availability immediately if Applicant engages in dishonest activity or negligently damages facilities or fails to report damage caused by the Applicant's drivers or vehicles.
9. Layton City reserves the right to modify the price of the water.
10. The Applicant shall obtain and maintain public liability insurance with a reputable insurance company in an amount not less than state, federal and local government regulations and produce appropriate evidence of insurance if requested by Layton City.
11. The Water Fill Station provides the only approved location and procedure to fill water tanker trucks for construction projects or other uses. If approved, this Application does not allow connection to fire hydrants or other water sources.

**I understand that by signing this form, I am agreeing to the Terms and Conditions.**
