

S.R. 232 (Hill Field Rd.)

IMPROVED

Lighting Enhancements - Gordon Ave to 3000 North

Construction Notice:

The Utah Department of Transportation (UDOT) and Layton City will be replacing/adding several dozen luminaire poles with decorative high lumen LED fixtures. The project is part of UDOT's effort to enhance motorist and pedestrian safety.

Expected Impacts

Crews will be working along the shoulders and pedestrian sidewalks/ramps. Pedestrian detour routes will be in place when obstructed. Motorists can expect occasional shoulder closures within the project limits. Traffic flow will remain unobstructed, but outside lanes may be closed briefly for equipment staging areas. This may delay traffic by a few minutes along the route.

Schedule

Begin Date: Tuesday, July 27th, 2021

Substantial Completion Date: Late-September 2021

Work Hours: 7am – Sunset (Mon – Fri)

**Schedules are subject to change due to weather and materials available.*

Safety Notice: For your safety and the safety of those working in the area, please use extra caution, reduce speeds, and follow posted signs and signals when driving through construction zones.
