Summary of Program

Hey Kids! Spend the summer having FUN at a Layton High School Kids Summer Camp. We will provide you with a safe, educational, and fun summer learning experience. Choose from over 20 hands-on art, music, and LEGO bricks classes that encourage active learning, discovery, and exploration that provide "**Learning Made Fun!**" Explore the universe in a LEGO bricks "Space Exploration" class, develop your art skills in "Bugs and Butterflies" class, or "Shake, Rattle and Roll" to music fun. While making art, playing music and building with LEGO bricks is a lot of fun this camp is more than that. We provide you with fun experience driven lesson plans that instruct with proven teaching methods and learning objectives.
